Unanimous \$18,638,160.

Mr. Manzi read the press release (see attached). Ms. Silva said the decrease is due to building permits and the construction going on in town.

Mrs. Kyle said this is good news as in the paper one surrounding community had a tax increase. Mr. Khan said this is good news for the town and he can't remember the last time the tax rate decreased. He said no money was used from the fund balance. He said more than 50% goes into the school system. Mr. Manzi commented that the town departments worked really hard to keep the budgets down and he is very proud of them.

Mrs. Kyle said when registering a vehicle there is a \$6 charge that is not included in the list of fees. It is properly noticed by the town clerk's office but not everyone reads the notice. She is requesting an insert go in with the renewal notices so everyone is aware of the additional fee. Mr. Manzi said he would look into this and speak with the town clerk's office.

Mr. Khan said he attended the civic association meeting at the beach and one thing quoted in the Hampton Union was inaccurate. The power plant actually pays 49% of the tax base in Seabrook.

Mrs. Kyle said she attended the coffee chat with the town manager at the community center and they had a few people in attendance who expressed concerns. She also attended the 50th anniversary of the historical society and said a 5th grader Anthony Gagne was present and is very interested in the history of Seabrook. She finds this very refreshing to see someone of this young age interested in the history.

Mr. Smith reminded everyone to be careful driving in the morning as it is still dark and the children are out for school.

Budget hearings will begin this afternoon and will be televised. The hearings will continue Tuesday and Wednesday.
