**BUILDING INSPECTOR’S REPORT**

Steve Keaney reported:

- The number of permits and the dollar value of the permits are close to last year. He has issued 107 permits to date. The fall is usually the busiest time of year for new permits. He expects to issue two new home permits next month with the potential for a third.
- Catalano’s Market would like to break ground ASAP. The new building will be similar to the old one with a market, restaurant and residential units.
- Recent house sales in the district have been at prices well above assessed value which could mean an increase in valuation for other properties and higher taxes.
- Steve has developed a new ADU application form which is similar to the existing building permit application. He has had only one ADU application since the inception of the program.
- No ZBA meeting is scheduled for September.

**OLD BUSINESS**

**A. Update on SBVD Planning Board activity:**

- Don Hawkins said the new SBVD Planning Board met for the first time on July 31, 2017
- At the meeting Ted Xavier was elected Chairman and Joel Spiller was elected Vice-Chairman
- The PB standard meeting time and dates were set for the first Monday of every month at 7 PM in the District Meeting Room. The September meeting was set for August 28<sup>th</sup> because the first Monday in September is Labor Day.
- The responsibilities of the PB were reviewed and work had started on developing Site Plan Review Regulations
- Hawkins said one new PB members and two new alternate members needed to be appointed by the Commissioners.

- Residents at the meeting complained about the number of people fishing on the beach in the middle of the day when children are swimming. There was a long discussion about whether the Town had jurisdiction to prevent this activity if people are fishing below the high tide mark. Dick Maguire said he would ask the Selectmen and the TM to address this problem. Residents pointed out signs at the path openings use to prohibit fishing from 8 AM to 6 PM. Those signs have been removed.

The meeting was adjourned.
