17 X 22 inches	16.00	
22 X 34 inches	26.00	

Additional Fees

Plan Review: All plans will be reviewed by the Town Planner. Subdivisions that include provisions for roadway construction or connection to Town services, and most site plans, will be reviewed by the Planning Board’s engineer. The cost for such reviews shall be borne by the applicant. Town Planner Review and Engineering Review will be billed on a per-hour rate.

Additional Fees: The Planning Board may require additional fees or escrows in connection with a particular case application process including, but not limited to, administration, research, special investigative studies, review of documents, attorneys, inspections, and other professional services, as per NH RSA 674:44V and NH RSA 674:41. The need for additional services incurring fees and/or expenses shall be the sole determination of the Planning Board. All additional fees specified in Section 4 of the Subdivision Regulations apply to applications for site plan review. The Planning Board reserves the right to recover all legal fees in connection with an application, including court related fees. The Applicant will receive one or more Invoices for amounts to be reimbursed to the Planning Board. Prompt payment is expected. All outstanding Invoices shall be paid prior to the recording of a mylar or the issuance of a building permit. All reimbursement amounts due shall be paid in full prior to the issuance of an occupancy permit.

Incomplete Applications. Applications submitted to the Planning Board that are incomplete will result in an administrative processing fee of \$75.00

Returned Checks. The assessment for returned checks is \$50.00. Your application will be suspended until all fees due are paid in full

Technical Review Committee. The applicant shall reimburse the Town for the cost of Technical Review, if such review is required by the Planning Board. The calculation of such costs shall include the hourly rates for each member of the Technical Review Committee, and that of the Secretary.

Charge for Extensive Review

Construction Oversight – The Applicant shall reimburse the Town for all costs of construction monitoring as determined by the Planning Board. The applicant shall reimburse the Town for all costs of outside inspection services incurred by the Building Department.

Administrative Service Fee – The applicant will be assessed an administrative fee of 20 percent of the cost of professional services rendered to the Planning Board. Said fee is intended to cover accounts payable and record keeping, but in no instance shall the fee exceed \$100 per invoice.

Applicant's Follow-on Responsibility. Applicants are responsible for providing revised plansets and mylars, in a timely way after the application has been approved, and for carrying out the conditions of the Notice of Decision. The Applicant will receive one or more invoices for amounts to be provided or reimbursed to the Planning Board. **Plans and mylars will not be signed unless they are entirely satisfactory to the Town Planner and all invoices provided to date have been paid.** . A fee of \$100 will be assessed for refilling of any Mylar rejected by the Registry **Outstanding Invoices must be paid in full prior to the Planning Board Chair signing the final revised planset, and again prior to the issuance of a Certificate of Occupancy.**

Exaction Payments – During the approval process the Applicant and the Planning Board may agree to certain offsite or exaction mitigation payments. Such payments shall be identified as a condition of approval, and shall be paid in full prior to the issuance of a certificate of occupancy.

Security Amounts

The minimum security amount for any case is \$5000 or as recommended by the Planning Board Engineer, and/or as stipulated by Planning Board approval. Security must be submitted prior to the preconstruction meeting and/or the issuance of a building permit.

Re-submittal of an Application – The fee for resubmitting an Application within one year is at least one half the original application fee, but no less than \$500. In the event that the Planning Board's review of the re-submittal extends more than three meetings, the applicant will be assessed the full original application fee in addition to fees specified in Section 4.330 above.

Describe existing uses and structures on the property.

Describe proposed uses, structures and modifications: _____
