NH RSA 672:3

THE BOARD STRONGLY RECOMMENDS THAT, BEFORE MAKING APPEAL, YOU BECOME FAMILIAR WITH THE SEABROOK BEACH VILLAGE DISTRICT ZONING ORDINANCE, AND ALSO WITH THE NEW HAMPSHIRE STATUTES RSA 672-677, COVERING PLANNING AND ZONING.

VARIANCE:

A variance is an authorization, which may be granted under special circumstances, to use your property in a way that is not permitted under the strict terms of the Zoning Ordinance. For a variance to be legally granted, you must show that your proposed use meets all five (5) of the following conditions:

1. The proposed use would not diminish surrounding property values.
2. Granting of the variance would be of benefit to the public.
3. Denial of the variance would result in unnecessary hardship to the owner. (Hardship, as the term applies to zoning, results if a restriction, when applied to a particular property, becomes arbitrary, confiscatory or unduly oppressive because of conditions of the property that distinguish it from other properties under similar zoning restrictions. Hardship, under zoning law, has nothing to do with the physical or economic condition of the owner.)
4. Granting of the variance would do substantial justice.
5. The proposed use is not contrary to the spirit of the ordinance.

EXPANSION OF NON-CONFORMING USE:

The Board may, under special circumstances permit a non-conforming use to be expanded to grant a petition for expansion; you must show that your proposal meets all four (4) of the following conditions:

1. The expansion arises naturally from and substantially reflects the nature and purpose of the original non-conforming use, as it existed at the time of the ordinance's enactment.
2. The expansion is merely a "new and improved" form of the original non-conforming use, not a new and different use.
3. The expansion does not render the property proportionately less adequate given the ordinance's requirements.
4. The expansion does not impact abutting properties or nearby neighborhoods in a substantially different manner than the original non-conforming use.

EQUITABLE WAIVER OF DIMENSIONAL REQUIREMENTS:

The Board may under special circumstances grant a waiver of dimensional requirements. To grant a petition you must show that your use meets all four (4) of the following conditions:

1. The violation was not discovered in a timely fashion.
2. The violation was the result of an honest mistake.
3. The physical or dimensional violation does not constitute a nuisance or diminish property values.
4. The cost of correcting the mistake outweighs any benefit to the public.
