

Conservation Commission Meeting
May 8, 2017

Meeting Opened: 6:05 pm

Members Present: Sue Foote, Al Mueller, Helen Lalime, Jim Sanborn and Judie Walker.

Minutes:

Motion: Helen Lalime

Second: Al Mueller

Unanimous

Dredge and Fill Applications:

The Conservation Commission received the formal Wetlands Application for 7 Manchester Street. They presented their case to the Conservation Commission at the November 2016. This project proposes work within the sand dune including the construction of a retaining wall and relocation/restoration of paths through the dune. Total impact is 2,026 SF and total restoration is 2,313 sf.

Mail:

South East Land Trust sent their membership renewal request. The Conservation Commission agreed to donate \$500 for a membership gift.

Motion: Sue Foote

Second: Helen Lalime

Unanimous

The New Hampshire Lakes sent out a invitation to attend a workshop on June 1 & 2 at the Church Landing in Meredith, NH subject " Ever Wonder Why Being In Or Near The Lake Makes You Feel So Good?"

Conservation Commission received an invitation to attend "Introducing Green Infrastructure for Coast Resilience" on May 16, 2017 from 9 to 4:30. Sue Foote asked Judie to forward this to John Starkey, DPW Manager to see if he is interested in attending. John was and Judie signed him up for the workshop.

Seabrook Rail Trail Correspondence:

The Conservation Commission will take a vote to write a letter to the Board of Selectmen and cc the Town Manager Bill Manzi. They recommend while funding is still available the projects listed below.

The project would consist of

1. Noyes Pond Dam washout essential to the hydrostatic stabilization of the footing to the historic arc culvert.
2. Repairing the Historical arch culvert that connects Noyes Pond to Mill Pond.

Motion: Sue Foote

Second: Helen Lalime

Unanimous

Meeting adjourned: 7:10pm

Next Meeting: July 10, 2017

Respectfully submitted: Judie Walker, Secretary
