

To the Residents of Seabrook,

We, the Seabrook Library staff, would like to thank you for your patience during this time of uncertainty. To protect the health and safety of our staff and patrons we made the hard decision to close the library as per the Governor's Stay at Home order. Though our physical doors are closed, we will continue to provide the community with information and resources.

Comment [1]: I took what you wrote and ran with it a little. Hope some of it is helpful.

Our website www.sealib.org and Facebook pages have resources to help you stay informed, healthy and entertained. You can access free WIFI in our parking lot and can continue to borrow digital items from apps like Libby and Hoopla. These resources are all free, though some may require you to sign in with your library card. For library card help or questions, please contact the library at ocean@sealib.org, or call 603-474-2044.

We will get through this together,
Seabrook Library Staff
