

TAXPAYER'S RSA 76:16 ABATEMENT APPLICATION TO THE TOWN OF SEABROOK

Tax Year Appealed 2020

INSTRUCTIONS

1. Complete the application by typing or legibly printing. **This application does not stay the collection of taxes; taxes should be paid as assessed. If an abatement is granted, a refund with interest will be made.**
2. File this application with the Town of Seabrook by the deadline (see below). Date of filing is the date this form is either hand delivered to the Town of Seabrook, postmarked by the post office, or receipted by an overnight delivery service.

Deadlines: "Notice of tax" means the date the Board of Tax and Land Appeals determines the last tax bill was sent by the Town of Seabrook. (The Town of Seabrook bills twice annually, you must apply after the bill that establishes your final tax liability and not before).

Step One: Taxpayer must file the abatement application with the Town of Seabrook by March 1, 2021 following notice of tax (defined above).

Step Two: The Town of Seabrook has until July 1, 2021 following notice of tax to grant or deny the abatement application.

Step Three: Taxpayer must file appeal with the board of tax and land appeals (RSA 76:16-a) or the superior court (RSA 76:17) but not with both:

- 1) no earlier than: a) receiving the Town of Seabrook's decision on the abatement application; or b) July 1, 2021 following final tax bill if the Town of Seabrook has not responded; and
- 2) no later than September 1, 2021 following notice of tax.

3. **SECTION E.** Municipalities may abate taxes "for good cause shown" RSA 76:16. Good cause is generally established by showing an error in the assessment calculation or a disproportionate assessment. Good cause, however, includes other grounds.

4. **SECTION F.** If request is based on disproportionate assessment, the taxpayer has the burden to show the assessment was disproportionate. To carry this burden, the taxpayer generally must show what the property was worth on April 1st of the year appealed. This value and the assessment would then be compared to other assessments in the Town of Seabrook. Therefore, comparable properties are an essential part of most abatement applications.

5. Make a copy of this form for your file.

SECTION E. Reasons for Abatement Application

An abatement may be granted for "good cause shown." Generally, this means a disproportionate assessment or an assessment based on an error. It can also include other reasons. This form is based on a disproportionate or erroneous assessment. If your request is based on other reasons, please state them with specificity. If the application is based on a disproportionate assessment, the taxpayer has the burden to prove disproportionality. Therefore, state with specificity all of the reasons supporting your application. Statements such as "taxes too high," "disproportionately assessed" or "assessment exceeds market value" are insufficient.

Generally, specificity requires the taxpayer to present material on the following (all may not apply):

- 1) **physical data** -- incorrect description or measurement of property;
- 2) **market data** -- the property's value on the **April 1, 2020**, assessment date, supported by comparable sales, income analysis or a professional opinion of value; and/or
- 3) **assessment data** -- the property's assessment exceeds the general level of assessment shown by comparing the property's assessment with assessments on other properties in the Town of Seabrook.
