Outdoor burning is only allowed with a permit and only after 5pm. Weather conditions such as rain or snow cover may change burning times. Weather conditions also dictate whether permits will be issued or cancelled. Only BRUSH is allowed to be burned. No leaves, grass, or construction material is allowed to be burned. NO permits will be issued for any fires on the beach.

Fireworks

- *Only legal NH fireworks allowed
- *Permits not required on your own land
- *No children
- *Have bucket of water handy for spent sparklers
