What if I don't get my Tax Bill?

The property owner is accountable for knowing that taxes are due and payable twice a year. If a bill is not received for each property owned, please contact the Tax Collector's office (603) 474-9881. If you have a mortgage company that pays your taxes, the bill should be forwarded to them.

What is the Tax Year in New Hampshire?

Throughout the State of New Hampshire, the tax year runs from April 1st through the following March 31st. Assessments of your property are computed as of the value on April 1st of each tax year which appear on your property tax bill.

How often and will I be billed?

There are two bills issued per year; the first bill is an estimate based on one half of the previous years' tax. This bill is mailed out near the end of May and is usually due July 1st every year. The State of New Hampshire Department of Revenue Administration sets the tax rate for the year in the fall. The final bill is calculated using the new tax rate multiplied by your property's assessed value as of April 1st, less any payments made on the first bill. The second bill is mailed by the end of October and is usually due December 1st or 30 days after they are mailed each year.
