### ARTICLE 2

Are you in favor of amending the Zoning Ordinance as proposed by the Planning Board to prohibit new vape shops by adding the following to Sections 2 & 6:

Add the following definitions to Section 2:

**Vaping Device:** A product composed of a mouthpiece, a heating element, a battery, and electronic circuits designed or used to deliver any aerosolized or vaporized substance including, but not limited to, nicotine or cannabis. Vaping device may include, but is not limited to hookah, e-cigarette, e-cigar, e-pipe, vape pen, or e-hookah.

**E-cigarette:** An electronic smoking device composed of a mouthpiece, a heating element, a battery, and electronic circuits that may or may not contain nicotine or e-liquid. This term shall include such devices whether they are manufactured as e-cigarettes, e-cigars, or e-pipes, or under any other product name.

**E-liquid:** A liquid, oil, or wax product containing, but not limited to, nicotine intended for use in devices used for inhalation.

Add a row to Section 6, Table 1 that designates "shops that sell vaping devices" as *Not Permitted* in all zoning districts.

In regards to vaping devices, the Planning Board adopted the following Findings of Fact on November 7, 2022:

"The US Food & Drug Administration has repeatedly warned of the negative health impacts of vaping. See <https://www.fda.gov/tobacco-products/public-health-education/think-e-cigs-cant-harm-teens-health>.

The Seabrook Planning Board is concerned about some of the health impacts that vaping has on the community's teenagers. The problem is exacerbated by the recent proliferation of vaping retail operations in Seabrook, owing in part to the community's proximity to Massachusetts where vaping products are more stringently regulated.

The science that documents these impacts on public health is well established. The American Journal of Preventative Medicine has made much of this research available online: <https://www.sciencedirect.com/journal/american-journal-of-preventive-medicine/vol/56/issue/2/suppl/S1>

**NOTE:** Accordingly, the Planning Board finds that the establishment of more retail vaping establishments in Seabrook would likely exacerbate the harm to the community's young people, and for that reason, we believe that further expansion of this industry in Seabrook should be curtailed. Recommended by the Planning Board.

To see if the Town will vote to raise and appropriate the sum of Thirty-One Thousand Dollars (\$31,000.00) for the funding of two new chapters of the Master Plan as recommended by the Planning Board. These chapters would be "Existing Land Use" and "Town Facilities and Services." Master Plan updates should be undertaken every ten years. This sum will come from the unassigned fund balance. This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until the project is completed or in four (4) years (December 31, 2027), whichever occurs first. This is a special warrant article. (Majority vote required) (Recommended by the Board of Selectmen) (Recommended by the Budget Committee) (No impact on the tax rate).

**NOTE:** An up-to-date Master Plan is a legal prerequisite for a zoning ordinance and associated land use regulations. Seabrook's current Master Plan was formally adopted by the Planning Board in February 2011. NH statutes recommend updates to the plan "every 5 to 10 years" (see RSA 674:3).
