Proposal Due Date:
October 5, 2023

ADDENDUM #1

Question

Q1. There are several proprietary aspects to your specs which do not impact performance, but also the add alternate pump impeller which is only available from the OEM. How would a NO BID for the add alternate be handled, or is this procurement intended to be sole-source?

A1. **We are looking for comparable stainless-steel equipment and will entertain any proposal that may benefit the Town of Seabrook. The add alternate was created out of possible budgetary restrictions and although it is encouraged, the add alternate is not required.**

The Request for Proposals is modified as set forth in this Addendum. The original RFP Documents and any previously issued addenda remain in full force and effect, except as modified by this Addendum, which is hereby made part of the RFP. Respondent shall take this Addendum into consideration when preparing and submitting its Proposal.

This Addendum must be Signed & Returned with your Proposal.
