

**Town of Seabrook  
Budget Committee  
January 14, 2019**

**Members Present:** Jeffrey Brown, Chris Leclair, Ella Brown, Emily Watts, Ellen Chase, Paul Knowles and Michael Chase

**Not Present:** Ivan Eaton and Richard Maguire

**School District**

**\*\*Please see attached for the Seabrook School District Warrant 2019\*\***

J Brown opened the Public Hearing at 7:00PM, and announced to the public that the purpose of the meeting for the night was to reaffirm their previous votes for the budget and warrant articles for both the town and school. He started off with the school district; he asked if any of the public had any questions or comments.

### **Town of Seabrook**

**\*\*Please see attached for the Town of Seabrook Warrant 2019\*\***

Francis Chase, Seabrook Resident asked what if this article (article 5) doesn't pass, what will happen and why isn't this project included into the water bills, as this is a necessity for the town's water supply as it shouldn't be on the ballot. Curtis Slayton, Water Superintendent stated if this doesn't pass on this year's ballot, it will go on next year's also but the erosion will get worse and the cost will keep going up. Bill Manzi, Town Manager explained that this can't be incorporated in the water bills because the selectman made a policy that excludes capital and they are looking for other ways to accommodate the money if it does not pass this year.

Article 5 (RT 286/New Zealand Rd Water Tank)

Motion: M Chase

To reaffirm the pervious recommendation

Second: P Knowles

with the typo of adding the New Zealand

All in Favor

tank into the motion.
