

Meeting Agenda

Seabrook Dune Walkway Assessment Public Workshop

May 28th, 2024 | 5:00 – 7:00pm | Seabrook Library (25 Liberty Lane)
The workshop is free of charge

Registration is encouraged and appreciated but not required: <https://bit.ly/4dGPM1q>

Meeting Objectives:

- To provide an update on the progress of the Coastal Resilience Grant project (Dune Walkway Evaluation) and upcoming activities.
- To hear from Seabrook committees/staff/stakeholders on current efforts to preserve the dune system and enhance accessibility of the walkways.
- To hear community members' perspectives and ideas for the future of the dune system and walkways.

Dinner

- Food will be provided for dinner starting at 4:45

Introductions

- Review meeting agenda, goals, and objectives.

Review of 2024-2025 Coastal Resilience Grant – Dune Walkover Assessment

- Project goals and timeline
- Overview of project area
- Review of ongoing and upcoming efforts

Ongoing and Future Dune Walkway Projects & Initiatives

Objective: We will hear from various Seabrook committees, staff, officials, and stakeholders on the ongoing and future efforts being taken to preserve and protect the sand dunes and enhance accessibility of the dune walkways.

Facilitated Discussion

Objective: We will facilitate a discussion with workshop participants to hear what's important to them and their perspectives and ideas for the future of the dune system and walkways.

Help kickstart the discussion: We'd love to hear your feedback ahead of time! Please take a moment to respond to the following survey (5 questions total). Your responses will be used to help guide our discussion. All survey responses will be anonymous.
