**ADDENDUM #1**

Question

- 1) We have all of our licenses in Massachusetts and have done jobs in New Hampshire in the past, just wondering if there would be any issue?  
**If you hold licenses in MA, I believe that will suffice.**
- 2) We do not currently have our CJIS Cert. and was wondering if that's essential to be considered for the job?  
**Please disregard the requirement of CJIS Certification as it was left in the template by error and will not be considered for this project.**

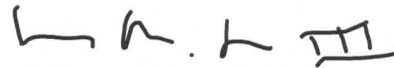

The Request for Proposals is modified as set forth in this Addendum.
