To see if the Town will vote to raise and appropriate the sum of Forty-Thousand Dollars (\$40,000.00) for the purpose of inspecting and cleaning the Town's water tanks. Every 5 years the water department is required to have its water tanks inspected inside and out by NHDES. This work will entail contracting with an outside company that will deploy underwater divers to thoroughly inspect the tanks, video the results of the inspection, and clean the tanks according to state statute. A report will be generated detailing the inspection. This work will include the inspection and cleaning of the 107 standpipe, the 286 elevated tank, and the 180,000 gallon clear well at the Water Treatment facility. This sum will come from the water reserve fund. This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until the project is completed or in two (2) years (December 31, 2027), whichever occurs first. This is a spec warrant article. (3/5 vote required) ARTICLE 42 - PETITION ARTICLE Upon the petition of legal voters of the Town. "Presently access to Lafayette Road (Route 1) from Rocks Road, provided a significant safety hazard to motorists on Rocks Road and Route 1 due to heavy traffic flow on Route 1. Seabro Transfer Station (TS) presently has two access gates, one at the end of Rocks Road and one off Seabrook Power (PP) North Access Road. When gates are open, motorists can access the traffic control lights on the PP North Access Road but when closed this is not an option. We request consideration to move the access gate off PP North Access Road to a location beyond the end of Rocks Road closer to the TS. Then remove the existing barriers at the end of Rocks Road to allow motorists to access Route 1 in a safe and controlled manner using the existing set of traffic control lights at PP North Access Road and Route 1."
