BLASTING PERMIT APPLICATION

Application is hereby made to obtain a permit for blasting operations in the Town of Seabrook, New Hampshire. All operations shall be done to current Federal, State (SAF-C 1600) and local (NFPA 495 Explosive Materials Code) regulations and standards. No blasting operations shall begin until a permit is secured from the Seabrook Fire Department.

The following items shall accompany this application:

- ☐ Certificate of Liability Insurance allowing work in Seabrook, N.H.
- ☐ A legible copy of operators blasting license and current driver's license
- ☐ A list showing maximum amount and type of explosives & detonators that will be on site (on back of application or attached)
- ☐ Scaled distance or vibration instrumentation (please circle one)

SITE WORK CANNOT BE STARTED UNTIL A FIRE DEPARTMENT REPRESENTATIVE HAS COMPLETED THE SITE INSPECTION.
