## ARTICLE 5 - PETITION ARTICLE

Upon the petition of legal voters of the Town. "Are you in favor of amending the Zoning Ordinance as proposed to rezone four (4) parcels of land and exempt certain billboards from Article 13:

Rezone the following parcels of land as follows:

Rezoning from Zone 2R (Residential) to Zone 3 (Industrial) three (3) parcels of land comprising approximately 7 acres in total, located as follows: 63 Foggs Lane, shown on Tax Map 7 as Lot 51; 45 Foggs Lane, shown on Tax Map 7 as Lot 53; 27 Foggs Lane, shown on Tax Map 7 as Lot 54; and by rezoning from Zone 6M Smithtown Mixed-Use to Zone 3 (Industrial) a parcel of land located at 72 New Zealand Road, shown on Tax Map 7 as Lot 55.

Add a new subsection to Section 13-Signs

13.800 Billboards Adjacent to Interstate 95.

Billboards (including some electronic LED Billboards) located on parcels abutting the East side of Interstate 95 shall be exempt from the regulations of Section 13- Signs of the Seabrook Ordinances. Such Billboard(s) shall be constructed and maintained subject to applicable state and federal regulations. Existing non-conforming billboards do not fall under this exception. (Recommended by the Planning Board)

**NOTE:** This article, if approved, would provide the Town with a steady stream of revenue that would not come from taxpayers as it would allow for the construction of a V-shaped electronic billboard on one of the parcels facing and abutting Interstate 95 that is proposed to be rezoned. The current Zoning Ordinance prohibits billboards in all zones. The parcels proposed to be rezoned under this Amendment are currently used for numerous high-voltage transmission towers, a mausoleum, and a commercial storage space. The Town of Seabrook previously entered into a Host Community Grant Agreement relating to a V-shaped electronic billboard that is proposed on one of the affected parcels abutting Interstate 95. The Agreement will take effect if the developer constructs said billboard on the affected parcel."

## ARTICLE 45 - PETITION ARTICLE

Upon petition of legal voters of the Town. New Hampshire thrives when state funding fairly supports local communities. Therefore, the residents of Seabrook are asked: "Do we call on the New Hampshire Legislature to protect local taxpayers by ensuring adequate state revenues for essential services, and by avoiding policies that shift costs onto local property taxpayers?" This question arises because recent state budgets have reduced or eliminated key revenue sources, forcing towns and counties to raise property taxes to maintain education, healthcare, county nursing homes, public safety, and infrastructure. These shifts burden working families, strain local budgets, limit flexibility, and undermine long-term community prosperity. A state budget that prevents cost-shifting and restores municipal revenue sharing eases the tax burden on local property taxpayers and strengthens communities. Be it further resolved that the Select Board shall send the results of this vote to the Governor and all members of the General Court representing Seabrook within 30 days.

## ARTICLE 46-PETITION ARTICLE

Upon the petition of legal voters of the Town. New Hampshire communities value strong public schools and responsible use of public funds for education. Therefore, the residents of Seabrook are asked: "Shall we call on our legislators to protect taxpayers by requiring the Education Freedom Account program to provide fiscal and educational performance reports comparable to those required of public schools, and by limiting eligibility to families with demonstrated financial need? The question is raised because state legislators recently removed all income limits from the Education Freedom Account program (vouchers), expanding it beyond its original purpose. These changes added tens of millions of dollars in costs while the program provides limited public information on how funds are spent or if educational standards are being met. The voucher program is projected to cost \$110 million over the next two years, with no new revenue sources identified. This directs public funds to private education without reducing the expenses public schools are constitutionally required to cover, increasing pressure on local property taxes. Be it further resolved that the Select Board shall send the results of this vote to the Governor and all members of the General Court representing Seabrook within 30 days.
